

TESTIMONY OF MELISSA BOSS

My name is Melissa Boss and by God's grace I am here today. My life before Christ: my body, mind and my soul was broken, alone, addicted to sin, and hopeless for the future. After 32 years of fighting and running from God, after my first failed marriage of 12 years, I found myself dependent on everything else but Him. That led me down a spiraling sinful path of destruction. God~ my heavenly Father~ He had a different path for me. God used Christopher Boss (my husband), Living Hope Church and Celebrate Recovery program to help me find Him, trust Him, love Him and surrender all to Him. Since the day I surrendered my life to Christ 4 months ago, I truly feel I have been set free from my past and now today I am able to enjoy my life, my new family, and our little daughter, Anna Marie. I am so grateful to be a part of a church that doesn't judge me for my past and to know God loves me. I am so grateful He did not give up on me as it says in His Word: "Let us not become weary in well doing, for at the proper time we will reap a harvest if we do not give up." (Gal. 6:9) Amen~
