# GENERATIONS PROJECT

## AT LIVING HOPE CHURCH

*Building lives today for tomorrow's engaging world.*

---

*At Living Hope Church, we're committed to reaching the lost with the glorious gospel of Jesus Christ, and seeing the world change around us. For this reason, we continue to seek the Lord as to how we might have a greater impact on Athens, as well as in the distant nations who have yet to hear. Welcome to the*

## **GENERATIONS PROJECT,**

*the next phase of campus modifications which will ensure that families encounter Christ at our church from "twinkle to twilight", encompassing vital ministry to babies and children, to growing adolescents and young adults, and to those who are well along in years. The Lord Jesus said, "Whosoever will, let him come", and this is the desire of those who see far beyond brick and mortar to the real work of building lives that reflect and reveal the grace of our Lord and Savior Jesus Christ.*

---

## **BUILDING SOMETHING FAR BEYOND OUR YEARS**

Here are some great ways to get involved in what God is doing as we begin to remodel the **Generations Building** for current and future ministry at Living Hope:

### **number one / PRAY**

The greatest way we can impact eternity this side of eternity is to pray in faith according to the Word Of God, **believing Him for the "greater things" He promised that we'd do**, as empowered by His Spirit. Commit yourself to praying for this ongoing remodeling project, which we hope to see completed by August 2020.

### **number two / SERVE**

As our ministries have the opportunity to expand, why not seek the Lord about how He would have you **utilize your gifts for His glory to reach all generations** that He draws to the campus of Living Hope. There are opportunities to serve for any skill level, and the work can't be completed with just a handful of faithful people. Trust the Lord to equip you beyond anything you'd imagine.

### **number three / HELP**

Over the next 5-6 months, we will begin to see a marvelous transformation in this new, fully functional center of discipleship and fellowship. That process will include **demolition, painting, cleaning, and numerous other supervised projects** that will culminate in an incredible finished product which will house new and existing discipleship and outreach ministries for years to come, as well as to allow for greater hospitality space for church-wide gatherings and receptions.

### **number four / GIVE**

As God has blessed you, make plans to bless the Body of Christ (current and future) with your generous donations to the remodeling project which we are undertaking by faith as a church. Feel free and **donate to "Generations Project"** on our website, mobile app, or in the memo portion of your check. Every gift will be joyfully received, responsibly utilized and greatly appreciated!
