May 4-11, 2024: Guatemala \$1615* 10ppl max

We'll be in Vista Hermosa, in the western highlands, assisting with projects identified by the community's Leadership Council: the schools and the clinic primarily. We'll be working alongside brothers and sisters in Christ; the relationships we build are far more important than the projects and as such home visits are a vital part. We may also have an opportunity to visit a church and worship with the people we will serve beside.

We can worship and encourage the small but growing evangelical church. We may meet with students to provide an opportunity for them to practice English, help with outreach to the Roma community, or also assist with a youth camp
